#### **PROFESSIONAL PROFILE**

Maissan Almaskati is the Chief Investment Officer of ARCO Capital, combining deep capital markets expertise with hands-on operating and asset management experience, making him a natural partner in advancing ARCO's 70-year legacy while forging ARCO Capital's next phase of growth and innovation. He is known for bridging sophisticated institutional and sovereign capital into complex U.S. investment opportunities and for his disciplined, results-driven approach to value creation, risk management, and long-term performance.

#### **PROFESSIONAL LICENSES AND EDUCATION**

- Georgetown University, Master of Business Administration
- University of Warwick, UK, BSc. in Economics and Politics
- Formerly with Bank of America, Dubai International Capital, and Equity Strategics

#### **PORTFOLIO HIGHLIGHTS**

- Global investment experience across private equity, real estate, venture capital, and investment banking
- Served in board and leadership roles across real estate, hospitality, industrials, fintech, and defense technology
